Liquid Sugar Color has significantly higher color concentration than airbrush color. Utilize it for cooked sugar applications, confections, blown sugar, pastillage decor work, or pulled sugar pieces, such as those created with granulated isomalt.

It can be directly added to any water based food product.

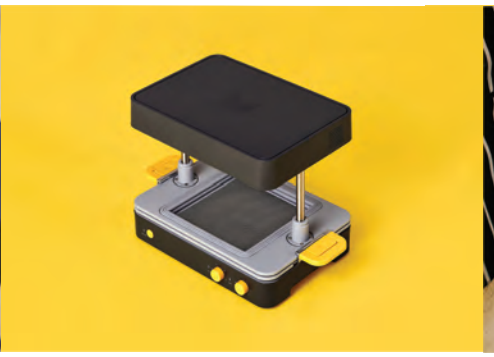
CREATE CUSTOM FOOD SAFE MOULDS IN MINUTES

- **CREATE ALMOST ANY SHAPE** Use any object you can find or make to create unique moulds.
- **LIGHTNING FAST** Makes moulds in seconds to speed up your creation.
- **JUST $1 PER MOULD** Reduce your costs with infinitely reusable moulds.
- **INTRICATE DETAIL** Pick up detail finer than a grain of sand.



FORMING & CASTING MATERIALS

MAYKU CAST SHEETS • 30ct 611320

Transparent and food-safe 0.5mm sheets for making reusable molds. The slight flex and non-stick surface that the sheet provides ensures that your templates and casts can be removed with ease.

MAYKU FORM SHEETS • 30ct 611321

A 0.5mm versatile, easy-to-use white sheet. Great for product packaging, prototyping and enhancing decorative craft projects. Fully recyclable.

MAYKU PRO MESH 611330

A mesh bed replacement made especially for chocolatiers. This mesh has a smoother texture than that of the default mesh, for ease of scraping chocolate off the mould.

MAYKU CLEAR SHEET • 20ct 611322

Same as the Mayku Cast Sheets, only these are 1.0mm thick.

deBUYER SILICONE PASTRY MAT

This thin baking mat, marked for making macaron shells, is a silicone-coated fiberglass canvas. Use for cold and hot: withstands extreme temperatures from -40°F to 446°F (-40°C to +230°C). Thin and very flexible mat: adaptable to all types and shapes for underlying baking support; does not affect the transmission of cold or heat. Non-stick: easy pastry removal, better visual appearance.

What is Pacojet?

How can market freshness be preserved? The Pacojet delivers pure, natural flavors and aromas with every spin. Simply process your ingredients immediately, store deep-frozen in a pacotizing beaker, then micro-puree individual portions a la minute as needed. Fine cuisine simply couldn't taste any fresher.

This revolutionary cooking system is designed and manufactured exclusively in Switzerland and comes with a special five-year warranty on the powerful, brushless motor.
